#### CITY AND COUNTY OFFICIAL PAPER

The largest orders anywhere in this country now given machinery manu-  
facturers are from miners. The big-  
gest enterprises now being started or  
in process of inception are mining  
propositions.

THERE is lots of truth in the remark  
that the almighty dollars more to do  
in moulding public opinion in this  
world than all the logic and eloquence  
that is heard from the pulpit and the  
rostrum.

A MAN at Shreveport, Louisiana, last  
Saturday made a wager of \$250 that he  
could drink a quart of whisky. He  
drank the whisky and won his bet, but  
died a short time afterward.

The problem of what to do with the  
demonized horse is being solved by  
Paris. The city now has 200 horse  
butchers, and last year more than 30,  
000 horses were eaten, the number in-  
1894 having been 21,227, and in 1892  
only 5,034.
